UNITED STATES DISTRICT COURT
DISTRICT OF MASSACHUSETTS

U.S. DISTRICT COURT
DISTRICT OF MASS.

JAMES PETER KYRICOPOULOS,)
petitioner

v.

Civil Action No. 17-11778-FDS

ERIN GAFFNEY,)
respondent

PETITIONER'S MOTION FOR IMMEDIATE RELEASE

NOW COMES The petitioner, pro-se and moves this honorable Court to Allow his Motion for Immediate Release from state prison, As reasons for, reviewing the petitioner's Amended Petition dated October 26, 2017, the respondent's Motion to Dismiss, (which is absolutely deseration at its best), and the petitioner's opposition to Respondent's Motion to Dismiss, the only reason that the petitioner is still in prison, is because of the collusion between Ms. Badway and the State Supre Justice, Elspeth Cypher who colluded to committ perjury within Writ of Mandamus denied on June 12, 2017, no. SJ-2017-0182, WOW, colluded to committ perjury, see "wheel v. Robinson," 2nd circuit. The petitioner is not going to belabor the serious misconduct engaged in by these 2 state agents.

The petitioner has also filed same day his Motion/Request for a Evidentiary Hearing that will complete the grounds for further investigation of lawyers that engage in unprofessional misconduct, see "auerhahn v. United States, 2009, first circuit, of course referring to petitioner's Memorandum of Law in his Amended Petition is a "smoker."

Ms. Badway submits the relief that the petitioner seeked in his Writ of Mandamus, no. SJ-2017-0182, was for the pre-trial transcript, with all due respect to this Court, a most perjurious statement, she belongs in Jail, how sick is she, but the SJC Justice, Elspeth Cypher agreed to go along with it, HOW SICK IS SHE.

His innocence is so compelling, another day in prison is a mocker of Justice.

Accordingly, his Motion for Immediate Release is a formality, and even more compelling, there is no reason to give respondent 10 days to reply, that is comical, his Motion must be Allowed. The petitioner is amused by the lack of respect, because he is PRO-SE.

Respectfully submitted,

James Peter Kyricopoulos,
defendant/petitioner, pro-se
